

# Finding Lane Lines on the Road

---

## Writeup Template

---

**You can use this file as a template for your writeup if you want to submit it as a markdown file. But feel free to use some other method and submit a pdf if you prefer.**

---

### Finding Lane Lines on the Road

The goals / steps of this project are the following:

- Make a pipeline that finds lane lines on the road
  - Reflect on your work in a written report
- 

## Reflection

### 1. Describe your pipeline. As part of the description, explain how you modified the `draw_lines()` function.

My pipeline consisted of 5 steps. First, I converted the images to grayscale, then I ....

In order to draw a single line on the left and right lanes, I modified the `draw_lines()` function by ...

If you'd like to include images to show how the pipeline works, here is how to include an image:

### 2. Identify potential shortcomings with your current pipeline

One potential shortcoming would be what would happen when ...

Another shortcoming could be ...

### 3. Suggest possible improvements to your pipeline

A possible improvement would be to ...

Another potential improvement could be to ...
